

Let us help you on the path to recovery.

East Boston Neighborhood Health Center's Recovery Services Program offers support services for people recovering from drug or alcohol dependence. Our team of specialists will work with you to provide personalized care that includes:

- Same day visits, when available
- Group and individual therapy with addiction specialists in English and Spanish
- Medication management for substance use disorders
- Psychopharmacology consults
- Acupuncture (at our South End location)
- Peer support services
- Access to additional health care services

**Our offices are open Monday-Friday.
